

Saint Anthony Catholic School Dance Team Program

Grades 1-4

The Saint Anthony Catholic School Dance Team Program will hold four, six week sessions with the first session starting Monday, September 25. Students participating in all afterschool programs will go to After Care (please refer to the new Afterschool Procedures). Students may sign up for 1 or all 4 sessions. There will be an end of the year recital which will be a showcase of all the dances learned in each quarter. The program is run by Kristin Garcia, The Cardinal Gibbons High School Dance Team coach and Shaun Moylan, SACS Music/Elementary Teacher. Mrs. Garcia has been coaching/teaching for over 10 years and her team is currently ranked in the Top 10 nationally. Mrs. Moylan has over 30 years of dance experience, starting at age 3 and later being a member of her high school and college dance team.

The classes provide opportunity for students in grades 1-4 to learn jazz, kick line, hip hop and pom routines. They will learn fundamental vocabulary terms, musicality logistics as well as the history of dance team in schools across the country from elementary all the way to college. Students who participate in the dance team program will have the opportunity to march in the Ft. Lauderdale St. Patrick's Day Parade.
